Dear Ms Erato Sioropoulou ,

I hope this letter finds you well. On behalf of the Mostar Puppet Theatre and the FLUM Festival, I am delighted to extend an invitation to you to attend the 4th International Festival of Puppetry in Mostar, Bosnia and Herzegovina, titled "Let There Be Light." The festival will take place from the 21st to the 25th of September 2024.

The theme of this year's festival is light, both metaphorical and theatrical. As part of the festival, you will have the opportunity to enjoy international puppetry performances, as well as a support program that highlights the concept of light. Of special significance is the opening of the festival, which coincides with International World Peace Day on the 21st of September.

The Puppetry Festival is traditional and takes place every year in the second half of the month of September. It is an exceptional attempt to make Mostar enable the puppet audience to enjoy the best European and world shows.

In addition, more than 100 participants from all over the world will present their best performances at FLUM.

Puppet Theater Mostar is a true temple of puppetry and the finest representative of the cultural scene of this city. It is a proud recipient of numerous appraisals, awards and recognitions at international and domestic festivals; its performances have so far been seen by over two million viewers.

It would be our pleasure to have you as our guests. The festival will provide food and accommodation, as well as entrance to all events. It would be our honor to host you in Mostar.

We have arranged accommodation for all participants, ensuring comfort and convenience..
